## ENERGY & TRANSPORT SUMMIT III

The Future of the Wind Value Chain with Focus on Shipping and Logistics

### **TORGEIR RAMSTAD**

#### **CURRENT POSITION**

Chief Executive Officer, Offshore Heavy Transport AS

#### **HIGHEST EDUCATION**

M.Sc. degree in marine engineering and naval architecture from NTNU in Trondheim

#### **INDUSTRIES**

Oil & gas, offshore wind and marine infrastructure

#### **WORK EXPERIENCE**

Extensive top level management experience from offshore contracting, construction and marine operations in the oil & gas and renewables sectors.

### **Offshore Heavy Transport**

#### **INDUSTRIES**

A wide range of industries including Oil & gas, offshore wind and marine infrastructure

#### **GOAL**

In Q1 2021, OHT will increase the capabilities and become a full transport & installation (T&I) contractor with addition of a new heavy lift crane installation vessel to their fleet.

#### **PRODUCTS/FOCUS**

Offshore Heavy Transport is a highly experienced heavy transport vessel owner and operator with fully integrated in-house operations, engineering, technical and commercial management.

The company focuses on providing safe, on-time and cost efficient transportation and logistical solutions for the largest and heaviest cargos, and will soon complement their capabilities by entering the offshore wind foundation installation market to form a complete T&I offering.
